Principal’s Report

Cyberbullying
Recently I have had a letter from the Australian Government - Office of the children’s eSafety Commissioner, informing the school of the formation of this office and explaining the cyberbullying complaints scheme administered by the Office under the Enhancing Online Safety for Children Act 2015. The Act allows children suffering from serious cyberbullying to contact the Office of the Children’s eSafety Commissioner to have content removed if social media companies do not remove the offending content after it has been reported to them.
Schools may have a role to play if the Office needs to work with us to resolve a problem. There are a range of resources which are available to us to support resolving cyberbullying.
The office has a range of resources and information to support children and their families, these are located on the office’s website www.esafety.gov.au, we encourage your family to have a look at this URL.

Australian Early Development Census
Late last term and early this term Julie Gambling and Jodie Zwar entered data on our Foundation children (Reception), this data is collected in order to inform planning and allocate the right type of services, resources and support for communities for the future. Names of children or families are not part of this data collection.
The data is collected in five key areas of early childhood development:
- Physical health and wellbeing
- Social competence
- Emotional maturity
- Language and cognitive skills (school based)
- Communication skills and general knowledge

Please send all emails for the Newsletter by Tuesdays to dl.0111_admin@schools.sa.edu.au or Jacqui.Head764@schools.sa.edu.au
Please check with the Office when placing items in the Newsletter (Brook Babbles) as there may be a charge depending on the article.

SCHOOL TIMES
Start: 8.50am
Lunch: 10.50am – 11.30am
Recess: 1.10pm – 1.40 pm
Finish: 3.20pm

SCHOOL TEXT MOBILE NUMBER
0416 906 260

PAYMENT OF MONIES
All money will be accepted at the Office Monday-Thursday mornings 8.30am-9.30am only.
Payment options for 2015 are: EFTPOS, Cash, Cheque, EFT

BREAKFAST CLUB
Mondays, Thursdays & Fridays 8.30am - 9.00am
Pastoral Care Workers
In School all day Mondays, Thursdays and Fridays until 2.30pm

BAKERY LUNCH ORDERS
Mondays, Thursdays and Fridays

Email Address For Bullying Issues
dl.0111_Bullyingnoton@schools.sa.edu.au

ADVISE POSSIBLE STUDENT FREE DAY
WEEK 8 OR 9

ATTENDANCE
Our aim is to have 95% of students at school, every day.
Current Attendance is 95.6% for Term 3
If your child is away, please contact the school.
The whole year is 93.6%
“Understanding Student Wellbeing” - Middle Years Development Instrument Survey

During this term our year 6 and 7 students will take part in the Middle Years Development Instrument survey, we have undertaken this survey since 2013. The purpose of the survey is to understand how children during the middle childhood years think and feel about their lives both inside and outside of school. We look at the report we receive and use it in our planning about student health and wellbeing at our site.

Parents and guardians will receive a letter at least two weeks before the survey takes place – this week the letter will come home. Families are able to withdraw their child at any time, please contact Anne at school telephone: 86362134.

The survey asks young people about their:

- Social and emotional development
- Feelings of connectedness to school, family, friends, and communities
- School Experiences
- Physical health and well being
- Activities after school

Parents in Education Grant

Last year Governing Council were successful in applying for a grant in order for workshops to be held for parents at School to further inform them about the way Mathematics is taught in our site. These workshops will be held in Week 6 & 7. Primary parents workshops will be on Tuesday 25th August, evening 6.30 - 7.30pm and Monday 31st August from 2.00pm - 3.15pm with Morgan Wallis. The Junior Primary parent workshops will be at 6.30 - 7.30pm on Tuesday 25th August and Tuesday 1st September 2.15pm - 3.15pm with Jodie Zwar. More information will be available in the next newsletter. We will be asking for parents to register their interest in attending.

Anne Franks
Principal

SAPSASA
Basketball

On Monday 17th August, SAPSASA Basketball will be held in Kadina. Good luck to all students participating on the day. Tim Lundie will be accompanying the students to Kadina.

Athletics

Tuesday 18th August will see many of our students travel to Jamestown to participate in the Athletics SAPSASA trials. Forms are currently available at the Front Office to register your interest in attending these trials. These must be completed with a parent and returned to the School asap.

These athletics trials are open to all students born during 2002 - 2005. Students will be asked to nominate themselves by returning their form and positions in events will be confirmed with Mr Lundie.

We have also been asked to nominate parent help to assist with the management of an event on the day. If you are able to help please advise us via the reply slip. Without support trial days such as these cannot run.

Tim Lundie will be accompanying the students, and a bus will be made available for this event if there is enough interest shown. Thank you.

**STREET STALLS**

We will be running 2 Street Stalls during our Op Shop month of August, Friday the 7th of August 9am-12 and Friday the 21st of August 9am-12 out the front of the op shop. Any donations of homemade cakes, biscuits, slices, jams, eggs, fruit etc would be greatly appreciated. Goods can be dropped off to the school that morning or at the main street.

A list of ingredients, date cooked and frozen/unfrozen is required to be displayed on all cooking.

Anyone willing to help out for an hour on either of these days would be greatly appreciated and can contact me on 0409283892. Thank you. **Jacqui Merkel.**

- If the person after you has not arrived, you are welcome to close the shop if you need to leave.
- Baking is a great seller, please drop off any baking to sell at the Op Shop anytime. Please make sure it is labelled with all ingredients.
- Special thanks to Jess Crawford, Samara Tilbrook and Josh Clements for helping set up the Op Shop on Sunday. After only 5 shifts we have banked $376.85 so it is a great fundraiser for your School. If you cannot do your nominated shift for any reason, please arrange your own swap and change on roster in Op shop during the month of August. For any other queries, please contact Op Shop Co-Ordinators Jo Wilsdon on 0408626162 or Kylie Sawley on 0429029561. Thank you.

* Spaces still to be filled.
TECHSPERTS AND CODE CLUB

We have started two clubs at our school to help students improve their skills and learning while using iPads; Techsperts and Code Club. One male and female student from each class has been nominated to be a part of the Clubs and learn during their lunch break on Tuesday’s and Wednesday’s in Mrs. Bowman’s class.

Techsperts consist of two students from each class who want to become experts at using iPads and the different learning apps on them. When they return to the class they are able to help trouble shoot during iPad lessons and teach their peers about different possibilities that particular apps have.

Code Club is a club designed for a different male and female from each class who want to learn more about coding and eventually designing their own app! Coding will become part of the Curriculum as of next year and our students are getting a head start on their learning and improving their abilities.

Each term the two students from each class for each club will swap so many students will have the opportunity to extend their learning and skills using iPads and eventually we will have many iPad experts.

As we are all aware, technology is a big part of today’s world and will be an even bigger part of our children’s futures. Up skilling them in a safe environment is essential.

Amanda Bowman

CHILDREN’S MEDICATION

Please remember to return any medication taken home during the holidays and for all those families contacted last term to update out of date health plans or medication, please make sure this is done this week as we legally cannot administer out of date medication at all without an up to date Health Plan.

Thank you.

TIQBIZ

Thank you to all the parents/caregivers who are using tiqbiz. We have found it to be an amazing resource. Our unexplained absences and prompt communication with parents is much improved. As parents/caregivers slowly get used to the completing of forms via tiqbiz, this is also working extremely well. The One2One function has been possibly the most successful part of the App. Communication is prompt and efficient with the quick turnaround of response. We ask for your understanding on the very rare occasion where your question/message gets missed.

Unfortunately, we cannot help sickness and shortness in Staff at times, although it is rare that someone won’t see your message, it can happen. If you don’t get a response within a few hours through the One2One, please give the School a ring to confirm your message/request if it needs a prompt response or action. We think the positives of this app far outweigh the one or two problems we have had with a missed message for reasons out of our control. If you are having any problems completing a form or any other part of tiqbiz, please see Jacqui in the Office or give her a ring for help. Thank you.

CALLING ALL SINGERS AND AVAILABLE CHOIR STUDENTS

Let’s meet at 10.45 a.m. at the Show Office this Saturday to represent our school by singing Advance Australia Fair. We sing at 11.00 a.m. This is open to all primary school students. Please wear school jumper or school hoodie.

Many thanks, Alison Clarke, Pastoral Care Worker

Woolworths Earn & Learn 2015

This year we will again be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school — and all we need you to do is shop for your groceries at Woolworths. From Wednesday 15th July to Tuesday 8th September, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it’s complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths. We sent out a sticker sheet to each family in Week 10 last term. If you need more sticker sheets, you can either print one out from the website or we will keep spares at the Office. At the end of the promotion, we’ll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students — including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. If you’d like to know more visit woolworths.com.au/earnandlearn. Thank you.

“The important thing is not to stop questioning.” - Albert Einstein

Uniform News

Our next Uniform Day is Week 7, Thursday 3rd September.

If you would like to order uniforms for your child please collect a uniform order form from the Office, download from the school’s website or Tiqbiz. You can pay for your uniforms between 8:30am and 9:30am Monday to Thursday at the office and they will be delivered to your child on Uniform Days providing they are in stock.

We are experiencing some issues with some faulty zips on hoodies. If you have a problem, please see me.

Please be aware that we are no longer offering the polar fleece jumpers as part of our uniform. Any stock remaining has been taken to the Op shop.

If you have any queries regarding Uniforms, please contact Liv Alpe on 0438 780 814.

Thank you.

Liv Alpe
Uniform Coordinator

Donations of Excess Fruit

We are well into winter fruit season! If you have an abundance of fruit you have no use for, please drop it into the School and our Pastoral Care Workers will cut up and hand out to the children at break time. Thank you.
