The Code of Behaviour at Crystal Brook Primary school is based on the values that promote strong partnerships with parents, families and the wider community. Students can therefore grow in a safe environment where mutual respect is generated and responsible behaviour is the accepted code of conduct.

Caring
The school environment will be safe and caring

Therefore we will:
- Show tolerance of, concern for and courtesy to others.
- Look after the school’s environment, personal and other people’s property.
- Keep the school’s environment free of aggression, violence, harassment, vandalism and theft.
- Look after personal property.
- Use school supplies carefully.

Cooperation
Students, Staff and Parents will work together as one

Therefore we will:
- Resolve conflict in a non violent manner.
- Show responsibility and self discipline at all times.
- Students are to follow instructions given by adults working/helping in the school.
- Use agreed anti-harassment procedures.
- Use initiative to help others.
- Follow rules, guidelines and instructions.

Responsibilities
Students will develop responsibility for their own behaviour and learning

Therefore:
- Students are to be punctual and attend all lessons.
- Students are to dress according to the school dress code.
- Parents are to explain student absences.
- We will respect all members of the school community, its property and environment.
- We will show a positive attitude towards education.
- Students are encouraged to always do their best.
- Students are encouraged to make strong choices and be accountable for their actions.

Communication
A positive school environment will be established using all forms of communication

Therefore we will:
- Communicate using respectful oral/body language and tone.
- Use appropriate manners when speaking to others.
- Be honest, fair and value relationships between staff, parents and students.
- Ensure that communication between home and school happens clearly and on time.
- Listen attentively and respect others opinions.
- Use appropriate written and electronic forms of communication.
- Expect respectful communication from the whole school community.

Consideration
The school community will consider the rights of all individuals

Therefore:
- We believe that student behaviour is influenced by their attitudes and behaviours.
- All students have the right and responsibility to learn.
- All teachers have the right and responsibility to teach.
- We will expect behaviour that does not interfere with others’ rights and responsibilities is required at all times.
- All students and teachers have the right to feel safe at all times.
- We will follow the anti-bullying procedures when necessary.
- Move in a safe manner within classrooms, corridors and around school buildings using established procedures.
- We will be aware of the way your movements affect others and their learning.

Rationale
Safe and Positive Learning Environment

Ratified by Governing Council 10/9/2014
